Summary

A

- Technophile
- Technocrat
- Gearhead
- Sapiosexual
- Critical Thinker
- Geek.

A person who loves innovation and to be a part of wonders. I like to live on what is right and with a mindset of, nothing is Possible and God made every person equally intelligent and with pure freedom and rights. I am Learner and a developer.

Interests: (Psychology | Curiosity | Computer Sciences | Islam (DEEN) | Improving)

Current Skills:

- WEB (HTML, CSS, JQuery, JavaScript, React, Node.js, Express.js)
- APP (React Native)
- GAME (Unity)
- Programming (C, C++, C#)
- AI (Python)
- Computer Vision (MATLAB, Python)

I am also a Designer, can help out in social media marketing and handling, Web/App Design and other required Designs as well.

Good at Consulting as well.

In Simple Words, I like to be a Learner Always and put out my skills in practical to solve problems for people.

Experience

Software Programmer

GitHub

Apr 2022 - Present (1 year)

An entry level programmer, struggling hard on logic building, concepts and terminologies, investing daily on what it requires to be good at Project development and Program Creation.

Designer

Canva

Mar 2020 - Present (3 years 1 month)

I have been using Canva for a long time for my personal template creation and social post and got a better hand at designing. Working on my design strategies and fulfilling editing, poster creation became easy for me.

Education

COMSATS University Islamabad

Bachelor of Science - BS, Computer Science

Sep 2020 - Jul 2024

WHY COMSATS?

Speaking a reality, I choose Comsats because of its CS Degree worth and ensure the side of six digits salary.

But with time I have self-developed myself and now want to be Entrepreneur, so for that Comsats and its community had and still helped me in grooming and getting connected.

Aspire College, Sheikhpura

Intermediate, Computer Science

Aug 2018 - May 2020

Was a choice on the base of quality education and new field experience by ASPIRE GROUP OF COLLEGES

Pakistan International Public School, Sheikhpura

Matriculation, Computer Science

Mar 2006 - Apr 2016
